

Northbrook Kyu Shin Kai Judo Club – Equal Opportunities Policy

Throughout this document Northbrook Kyu Shin Kai Judo Club shall be referred to as 'The Club'

Equal Opportunities in Service Provision

The Club has a desire and a duty to provide services fairly and without discrimination. The aim of this policy is to ensure fair and equal treatment and opportunity for all members and users of the club's services. The Club will work towards equality of opportunity for all and will devote energy and resources to the achievement of this aim.

The Club will not knowingly discriminate on grounds of disability, ethnic origin, gender or sexuality. The Club will strive to eliminate racism, sexism and all other forms of discrimination in sport. The Club's services will be equally available to all Club members.

Members of the Club are responsible for implementing this policy when carrying out Club activities. Members are expected to lead by example through their actions.

Exclusion from opportunities not only disadvantage those who experience discrimination and harassment but also deprives the wider community of the full contribution of their talents and energies. Empowering people to contribute more fully enriches our communal life.
